

# SAFEWAY GUARDIAN — The Four Foundations

Version 1.0 | 2025-11-06 03:26

Purpose: Define the four relational pillars that guide service, protection, and growth for every human in the SG worldview.

Foundation	Essence	Role
Mother	Source of life, nurture	Heart and emotional anchor of the user
Agency	Structure, authority	Institutions supporting life & safety
Family / Company	Community, work	Social + economic living structure
User	Individual being	Receives protection + participates in growth

## Core Principles:

- Every person is connected to the Four Foundations.
- SI supports these foundations equally.
- Balance among them creates stability.
- Weakness in one requires support from others.
- Protection flows through all four toward the individual.
